

## "Dawn of the Eds" – our first full transcript!

Eddy: Ed, Ed, Ed... Will you quit moving around? Oh, Ed?

Ed: Yes Eddy?

Eddy: Stand still!

Edd: This will protect you from any disgusting or unsafely life forms you may encounter.

Ed: Cool. Cool!

Eddy: Ok, Double-D, let's pull! Pull!

Edd: Ed weighs a ton!

Eddy: I'm getting a hernia! Hey Ed, how's it look?

Ed: Ok, ok.

Eddy: A little lower. Come on, Double-D. Easy, now. Lower.

Ed & Edd: Ahhh!

Eddy: Perfect! Think of the treasure, Double-D! Hmm? I wonder how long he can stay down there?

Edd: Well, according to the particle-ratio of-

Eddy: That's the signal!

Edd: Hey!

Eddy: Bring him over. Easy, now. Any luck, Burrhead?

Ed: Oh, yeah!

Eddy: Yes! Woo-hoo!

Edd & Eddy: We're rich, going for Jawbreakers! All right!

Ed: Woo-hoo! Oh, we can buy Jawbreakers!

---

Eddy: We'll be slurping Jawbreakers for weeks.

Edd: Actually, Eddy, with return exchange rates, it may be an afternoon's worth.

Eddy: Ah, you don't know what you're talking about. What do you think, Ed? Huh? Ed? Ed? Ed? Ed? Hey! What's clogged up your brain, Ed?

Ed: That. See? "Robot Rebel Ranch!"

Edd & Eddy: Ohhh.

Ed: 'Marooned on a distant. Visitors in the void. No escape.' Huh? Ahhh! It's not fair! If only I were older.

Edd: Don't worry, Ed. We'll see it on TV in a year.

Ed: Yeah, with all the good stuff cut out.

Eddy: Don't sweat it, guys. Where there's a will, there's a scam! The first thing we do is cash these babies in for ticket money. Onward, Space Monkeys!

---

Ed: Woa, this is the coolest movie.

Eddy: Since I'm the most mature looking, I'll go in first. Double-D can be my wife.

Edd: Ugh! Ed's taller, I think he should.

Ed: They tell you that the story begins when three Space Outlaws crash-land on a robot planet.

Edd: Amazing!

Ed: Shock-o-rama!

Eddy: R-rated!

Ed: And, they have to fight off the robots, but they also must try to escape back to Earth, or the robots will grind their bones to bits. Then the three spacemen lose control of their ship, and hurtle into a field of asteroids that almost crush them into spacedust. They're sucked into a dimensional time-portal that transports them to the robot planet.

Edd & Eddy: Ahhh!

Ed: The heroes find their ship destroyed. They're marooned on the robot planet.

Eddy: Hey look!

Ed: Oh!

All 3 Eds: Cool. Not cool! Not cool!

Eddy: We got to get out of here!

Edd: I have an idea. Come in Earth, come in Earth. Come in Earth. Repeat. Come in Earth. No response. There's no response!

Eddy: Are you saying, we're stranded?

Ed: Then, there's not much time, before the cold robot planet nights squeeze the life out of us. We must find shelter!

-----  
Ed: Come on! Come on! Not much farther now.

Eddy: Oh, you said that an hour ago, Ed.

Edd: What are we looking for, again?

Ed: A cave! The first thing the Space Outlaws find is a cave, to protect them from-

Eddy: Yeah, yeah. The frozen robot planet nights. We're never going to find shelter- Huh? Hey!

Ed & Edd: Cool!

Eddy: Hah!

Ed: Cool!

Eddy: Hey guys, come on in! Enjoy the genuine shag carpeting.

Ed: Hey!

Eddy: And the waterbed!

Edd: Ooh!

Eddy: Boys, welcome to Central Command!

---

Edd: Prepare for your eminent capture, Eddy!

Ed: Yeah!

Eddy: Hah! You'll never take me!

Ed: Where did he go? Where did he go?

Eddy: Prepare to meet your doom! Huh? Ahhh! Hah! Missed me! You lose!

Ha-ha-ha-ha-ha!

Ed: Hey guys, come up here!

May Kanker: Spin him again! Lee!

Kevin: Get away from me.

Lee Kanker: For 200, what color's your underwear?

Kevin: This is stupid!

All 3 Kankers: Ehh! Wrong!

Kevin: Dumb girls. What color's my... Sheesh!

All 3 Kankers: Oh, Kevin?

Ed: Stay back! Hideous life-sucking aliens have captured a fellow Space Outlaw! Which of the three brave explorers would take the risk to save him? I will save him! Full speed ahead!

Edd & Eddy: Stop, Ed!

May Kanker: My turn!

Ed: Release him, evil space mutants!

All 3 Kankers: What is that? Run for it, girls! Ahhh!

Ed: Do not panic, fellow Space Outlaw! I have come to rescue you.

Kevin: Just get me down you- What are you supposed to be?

Ed: Uh, uh, I am a fearless Space Outlaw!

Kevin: Yeah, right. Space Dork!

Ed: Dork?

Eddy: Did you save our fellow Space Outlaw?

Ed: Yes, he was most grateful.

Eddy: Huh? What was that?

Ed: Robot Bounty Hunters.

---

Ed: Huh? Prepare to be terminated, solar scum! Yahhh! Nooo!

---

Eddy: Ed? Hmm.

Ed: Ahhh!

Eddy: Double-D, did you hear that? They're closer now! Hey, is this thing ready yet?

Edd: Well, actually, Eddy, since it's just a prototype, and still in need of-  
Eddy!

Eddy: There's only one seat in this thing. Why'd you just put in one seat,  
Double-D?

Edd: Well I told you - this is the prototype. When this is properly tested,  
then I'll build the real one.

Eddy: Yeah, whatever. Let's go, Double-D. Lift-off.

Edd: But Eddy, I still need to-

Eddy: Double-D, fire the rocket!

Edd: Fine. But you better wear this.

Eddy: Oh, yeah.

Edd: Three, two, one, ignition!

Eddy: Yeee-haww! Woa! Huh? Ahhh!

Edd: Better test the parachute. Well, at least that worked.

Eddy: Ahhh! Hey Double-D, the rocket needs work!

Edd: It's a prototype!

Ed: The robots are coming, the robots are coming!

Edd & Eddy: Ahhh!

---

Ed: The planet seemed eerily calm as the approach of the Robot Bounty  
Hunters was awaited fearlessly by the three brave Outlaws.

Eddy: Is that for real?

Eddy: Oh, Eddy.

Ed: They approach. Attack! Vaporizing Turbo Grenade! (can't decipher)  
Laser! Subatomic Blaster! Hit them hard!

Sarah: Ed! What the heck are you guys doing?

All 3 Eds: Uh, nothing.

Sarah: You have to come home, Ed. It's time for dinner! Come on, Jimmy.

Eddy: Yeah, dinner sounds good. I'm hungry.

Ed: Only one was left alive after the horrible battle. Wounded and  
stranded, would he ever get off the robot planet? Would he ever get home?  
Would he- Oh no! Betrayed by his own comrades!

Eddy: Ed, shut up!
